

## Evolution of Integral Consciousness

Inspired by the philosophy of integral living, the Cultural Integration Fellowship (CIF) was founded in 1951 by Dr. Haridas Chaudhuri and Mrs. Bina Chaudhuri as a center for universal religion and spiritual practice. In keeping with the spirit of unity in diversity, we honor the spiritual traditions of diverse cultures and religions. Our mission is to foster mutual respect for all cultural, spiritual and religious practices. By extending friendship, seeking common ground and transcending differences, we join together to build bridges of cross-cultural harmony and world peace.
