Sunday morning services at 11:00 am

July 2020

Dear Friends,

In the interest of public health and efforts to contain the spread of the corona virus pandemic, we have suspended our Sunday morning services until our local health officials determine it is safe to continue. We sincerely apologize for how long our gatherings have been suspended. As of June 15 the local stay at home orders have been amended to allow religious gatherings and ceremonies to resume outdoors only (up to 12 people), with face coverings and social distancing.

Due to the current uncertainty and unrest, plans remain tentative. We will be monitoring updates as they unfold and act in accordance with safety recommendations. Your health is our top priority. Please take good care of yourselves.

We sincerely regret any disruption and inconvenience to you. We hope this crisis is resolved soon. Thank you very much for your understanding and for your continued support. We are preparing to offer a zoom session for July 26 and will keep you updated.

We send you all best wishes.

Please stay safe and healthy. We look forward to gathering again soon.
